We are khujo: a successful and expanding urban fashion brand with innovative ideas. A high demand for quality and lifestyle affinity as well as a special passion for unusual details and authentic design characterise us. Authentic design are what set us apart. As a result, our collections are not only a permanent fixture in the assortments of fashion and online shops, but also as coveted fashion must-haves with a very special signature. As a hybrid company, we are active in both the traditional B2B and e-commerce B2C sectors. To continue our successful story in the future, we might be looking for exactly you!

The development and creation of an exceptional complete collection, with the main focus on „jackets“, is in the foreground for you as a designer. With a lot of love for details, an eye speciality, modernism, and your feeling for commercial trends, you will design a section and/or sections of the khujo collection. You have a good eye for fits and workmanship, are fashionable and have experience in working with international factories. Passion and enthusiasm for urban fashion are further characteristics that will enable you to work with us to realize an extraordinary brand ... together with us.

### YOU ARE

- » A Fashion Designer with a successfully completed degree or comparable training in the field of fashion design
- » With heart beats for urban fashion/denim, and you have a keen sense for trends.
- » Familiar with the implementation of different product groups or specialist in jackets, knitwear or sweatshirts
- » Always „up to date“ and have very good knowledge of brands, markets, and target groups
- » Confident in the English language and know how to operate MS Office
- » An initiative team player
- » Blessed with high quality standards for yourself and your work

### YOUR TASKS WITH US

- » Plan, design & develop our collections
- » Help to shape the unmistakable signature of the khujo brand with love to the detail and an eye for the extraordinary.
- » Develop color, fabric and ingredient concepts
- » Organize fittings and fit optimization in collaboration with our Technical Department
- » Observe the fashion developments in Germany and abroad through trend research, trade fair visits and store checks
- » Visit and communicate with foreign production partners and our offices abroad

### WITH US YOU HAVE

- » A warm, creative and international team
- » A creative atmosphere with exciting tasks
- » A sense of belonging and flat hierarchies
- » Exclusive employee discounts on our products and corporate benefits membership
- » English as the main company language
- » Free German courses if needed
- » Numerous dining options including a canteen in the immediate vicinity

If you feel addressed, we look forward to receiving your application documents including your salary expectations and earliest possible starting date.
